## Preparation

Arrive from **9am** onwards so you will have plenty of time to get your horse/pony, your tack and yourself looking your best before the classes start at 10am. Liveries to catch in their own horse/pony.

It is a good idea to wear old clothes while you get ready and then change into your smart clothes just before the classes start. Competition attire is not compulsory but very welcome if you have it.

Come prepared for all weather conditions & don't forget to bring some lunch!

## Minis Jump and Lead

Hop over some small obstacles, and then lead your pony around the same course collecting completing some handy pony tasks along the way!

## Clear Round Show Jumping

Come and sail over a course of jumps, being careful not to knock any on your way around!

## Classic Show Jumping

Jump a clear round in this class, and then go as fast as you can around a timed section of the course! Fastest time with the least faults wins.

## Bucket elimination

Its all about accuracy! Can your pony jump 7 buckets in a row? What about 2? Jump the least to win!

## Jumping and Style

Show off your best jumping style in this class, where you are awarded points based on your jumping style!

## Chase me Charlie!

How high can you jump? Fence height to increase in height each round... (Elimination for a knocked off pole, refusal, or unsafe jumping)

All classes subject to bookings
